HID H4 10000K High/Low (Replacement Bulb ONLY)

Price: \$35.00

Replacement HID H4 35W High/Low Beam Bulb ONLY

This one is 10000K

Prewired power harness

This is the updated Bulb that comes in my HID BDM kits for all BDM motorcycles

Including bikes with new 2008 Ver. 2.0 software

Available in 6000K, 8000K, and 10,000K spectrums.

(If you have one of my early kits with low beam only, this

would be the replacement bulb for it now)

HID Low Beam and a 35 watt Halogen High beam bulb
