### HID Kit 8000K HONDA VTX H4

Price: \$99.99

For all of you that have been looking for that

HID kit to install in your Honda, Yamaha, Suzuki or Kawasaki but can't

fit that big ol' ballast in the bucket with all them wires,

HERE YOU GO!!!

Tried and tested in:

Honda VTX1800

Honda VTX1300

Honda Rune

Most all sport bikes

- 35W HID Low Beam only Bulb

- Micro Digital Ballast
- H4 Direct plug in
- 8000K color scale (Stands out in daylight)
- Draws only 3.5 AMPS !!!
- Much, Much brighter than stock
- Nice white look with a blue sparkle

**Here Is a Cool Video of my HID kit - Click the picture:**

Harness and Ballast come Plug-&-Play for all H4 bulb equipped Japaneses Bikes

Some factory wiring may need to be moved out of the bucket

for ballast to fit.
